Robot series - Wikipedia

Robot Dreams by Isaac Asimov is an anthology of short science fiction stories, some about robots, others not. Though not necessarily thematically connected, they are connected by their speculation of humanity's future and even insights into our present. The book's title is based on a story found in this collection about a robot that dreamt of a robot revolution.

Review of Robot Dreams by Isaac Asimov – Gazing off into Space

As for the flagship story, Asimov specifically wrote the short story "Robot Dreams" for this compilation. It features Dr. Susan Calvin from his previous robot stories, but centers mostly on Elvex, an android developed with a brain that was capable of mimicking human brain waves. Because of this, Elvex could dream.
